Faculty Development Training Session

On 13 August 2024, Daffodil International University, in collaboration with the Career Development Center, hosted a Faculty Development Training Session today, conducted by the Wadhwani Foundation.

The session, involving 21 faculty members from the Departments of FSIT and FBE, focused on equipping educators with the skills necessary to run pilot programs of the Wadhwani Foundation's 21st Employability Course for students. This training aims to empower faculty to lead this initiative, which is designed to enhance teaching strategies and contribute to the future success of students.
